

1. Animated Underline Effect only below the *Investors and *Contact and not below *Home and *About Us

2. After Clicking on Contact Us – a .php file is being downloaded

3. The image in the middle isn't available so if possible either it should be there or removed

4. In *Home *About Us *Events *Sponsors section the animated underline is appearing below Shivajinagar, Pune-411005 and in *Investors section it appears below Bhau's I&E Cell, COEP TECH

5. Only in *About Us Section the Dropdown arrowhead beside *Other and *Feedback section doesn't appear instead a small square appears which shows absence of the icon

6. Under the *Events Section – when we either try to go forward or backward during that the screen automatically scrolls

7. Under the *Sponsors section [Partners] the following images aren't loaded on site
